**HOLIDAYS IN PORTUGAL** With 3000 hours of sunshine per year and 850 kms of splendid beaches bathed by the Atlantic Ocean, Portugal is the perfect holiday destination all year round. This is a country that has the oldest borders in Europe, with an exceptional range of different landscapes just a short distance away, lots of leisure activities and a unique cultural heritage, where tradition and modernity blend together in perfect harmony. Its superb cuisine, fine wines and hospitable people make this a tourist paradise of the highest quality.

Portugal is situated at the south-west point of Europe. Mainland Portugal occupies an area of 88,889 square km. It is 218 km wide and 561 km long. It has 832 km of Atlantic coast and a 1,215 km border with Spain with a population of about 10 million. The population density is at its greatest in Lisbon, the capital and its suburbs, where about 1.9 million people live. The second largest city in Portugal is Oporto in the north.

The climate in Portugal varies considerably from one region to another and is influenced by the relief, latitude and proximity to the sea, which offers mild winters, especially in the Algarve.

In the Porto e Norte area and Beiras region, particularly inland, nearer Spain, the winters are colder, although the temperatures are still mild when compared to the rest of Europe. There is some snowfall; it occurs mostly in the Serra da Estrela mountains, where we find the highest point in mainland Portugal (1,991 m) and where it is sometimes possible to ski.

The summers are hot and dry, especially in the inland areas (Trás-os-Montes in north-eastern Portugal and Alentejo). Typically there are often warm, sunny days in autumn making this destination ideal all year around. Come and discover the charms of this country.
